Gosnell Movie: This film is based on The New York Times bestselling book about Kermit Gosnell, and initially attracted widespread controversy, when the New Your Times refused to list it, despite it being the number 3 best seller on Amazon and Publishers Weekly, eventually they did list it as a best seller. A doctor was supplying drugs to drug dealers. The FBI, DEA and Philadelphia police raided Gosnell's clinic, and found much more than drug dealing and put him on trial. A veteran crime reporter, Phelim McAleer, on his day off, stumbled onto the trial and decided to check it out. He said what shocked him most were the empty press benches in the courtroom. Detective James Woods (portrayed by Dean Cain), and former DA Christine Wechsler, who were part of the original investigation team, served as consultant's in the writing, and have cameos in the film. After watching this move, you will wonder what else the media is filtering. Show support by attending this movie so our theatre will continue to bring in these movies. **Friday, January 18th-Thursday, January 24th at 123 State Theatre.**

There was a wedding at Cana in Galilee, and the mother of Jesus was there. Jesus and his disciples were also invited to the wedding. When the wine ran short, the mother of Jesus said to him, "They have no wine." And Jesus said to her, "Woman, how does your concern affect me? My hour has not yet come." His mother said to the servers, "Do whatever he tells you." Now there were six stone water jars there for Jewish ceremonial washings, each holding twenty to thirty gallons. Jesus told the them, "Fill the jars with water." So they filled them to the brim. Then he told them, "Draw some out now and take it to the headwaiter." So they took it. And when the headwaiter tasted the water that had become wine, without knowing where it came from — although the servers who had drawn the water knew —, the headwaiter called the bridegroom and said to him, "Everyone serves good wine first, and then when people have drunk freely, an inferior one; but you have kept the good wine until now." Jesus did this as the beginning of his signs at Cana in Galilee and so revealed his glory, and his disciples began to believe in him. Jn 2:1-11

Bishop Gruss announces this week that our Catholic Diocese has entered in a purchase agreement with Black Hills Federal Credit Union, for the building at 255 Main. It will be renovated over the next year or so, with a chapel and offices conducive for the ministry of Jesus (see the picture on the front bulletin board.) There is one campaign through our West River Diocese, which includes the needs of a Rapid City Catholic School. Please read the insert for testimonies.

St. John's parish goal is \$355,000. When it is reached with cash deposited, St. John's receives 20%. The parish council, discerning our mission, sees 3 needs: a) Retiring the debt of the heating/cooling system, b) replacing church carpeting, and c) leadership training for Catechesis of the Good Shepherd and other catechesis.

Next weekend, we'll ask you to come to Padre Hall for 15 minutes after the mass you attend. We'll show the video, and ask you to consider a sacrificial gift. What could you give over a 5 year time span for these diocesan ministries? Those pledges could be turned in anytime; we'll ask specifically on the February 10 and 24 weekends.

LORD, we turn to you with joy in our hearts,
for all that we have and are comes from you.

Guide us to become good stewards of the many gifts you have given us. **Make Living The Mission a true labor of love** for all of us so that our local Church may be strengthened. Give us generous and sacrificial hearts following Your example, providing for our brothers and sisters who are the Church in western South Dakota. Inspire us to build a lasting legacy of faith, so that we, and the generation to follow, will ever more joyfully, boldly and lovingly proclaim and live the mission of Jesus Christ, leading to eternal life. Amen.
