Religious Education

Imagine...A classroom of kids actively engaged in learning about their faith. They work diligently on assignments. They listen to your presentations. They ask questions and are able to go home and articulate what they learned in class to their parents and friends. **Imagine...**You as the teacher in this classroom setting. You are the one bringing joy and excitement to these young children. **Imagine...**The joy and excitement you are feeling knowing that these children are learning about their faith because of you.

St John's needs your help. We are looking for men and women to help educate our children about their faith.

Can you, for 1 hour on Sunday morning or Wednesday night, give of your time to help? Think about it...Classes start in late September. Training for teachers in September. Think about it... Pray about it...Then give me a call... Do not say yes to me, say yes to the future education of our faith to the young children. We are all called to teach the faith. Come and share your faith with our young people.

I am looking for volunteers for the Good Shepherd Room, elementary grades, Confirmation and high school. Josie Huck ~ Director of Faith Formation
