RC Vocations From Bishop Peter to Members of St. John Parish:
 As I preview this year's vocations poster, I am filled with gratitude
 for all those in our parishes who have prayed and sacrificed for an
 increase in vocations to the priesthood. Many, many thanks for
 your generous response to the Adopt-a-Seminarian Program in
 your parish. Your contributions totaling \$5,000 are a great help in
 covering the ever-increasing costs of education and formation.
 This year we have four men in theology programs, one in pre-
 theology, two in college seminaries and two in a formal
 discernment program in La Crosse, Wisconsin. These young men
 have benefited from the prayers and support of others, good
 examples of lived discipleship, and many invitations to consider
 God's call. Their generous response and yours fills me with hope
 for the future of the Church in western South Dakota.
